Punctuality facts.

Please help us to instil  
good attendance and punc-  
tuality habits in all children  
by being at school on time  
for the first bell.

The bell signals that chil-  
dren should be sat on the  
carpet ready for register.

We also politely request you do not make routine appointments dur-  
ing school hours.

Thank you for your continued co-operation.

**Why is punctuality so important?**

Good school attendance includes being there on  
time. Punctuality is a life skill. The habit of good  
punctuality at school will help your child throughout  
their education, into adult life and the work place.

## Allotment update

With the fantastic support of parents, the school has been developing the allotment over recent months.

Various local support groups have been on site to add more planters, remodel the pathways and repaint some of the structures.

Thank you to our parent body who have been on site and supported much of this work.

One of our parents helped us to secure a grant from local company Cummings of nearly £5,000.

Another parent helped us secure a further grant of £2,000 from Toyota.

Thank you also to the team at Xylem Water

**Warwickshire**  
Wildlife Trust

Warwickshire Wildlife Trust have been consulted and have advised us on how to spend this money effectively.

This money will be used to redesign the pond area in the allotment and form an important part of school outdoor curriculum.

We will:

- Install a new pond and relocate the dipping platform
- Turf area around the pond and
- Install some more seating

If you have any spare vegetable or flower plants you have grown please send them in, so we can get them planted out.

**We need**

**YOU!**

Many thanks to everyone who has shown such commitment to develop this project.

If you are greened fingered and would like to help maintain our allotment please get in touch. We need you!
